Dear parents and carers,

This week we welcomed parents and carers to our *Online Safety and Computing* workshop with Ms O'Shea, our computing lead. If you were unable to attend, please take a look at the presentation that Ms O'Shea presented; it is full of really useful information to help you in keeping your child safe online. This Tuesday at 2.40pm, Ms Joseph will be presenting our next curriculum workshop for maths. Please come to find out how we teach maths at SMP so you can better support your child at home. The curriculum workshops take place in the Nature Room in the Nursery. Please enter via the EYFS gate. Please check the calendar page on this newsletter or our website for all of our curriculum workshop dates.
