'Love one another; Always do our best; Take care of ourselves and the world around us'

Dear parents and carers,

We have had a very busy final two weeks of our first summer term.

Firstly, our Year 6s showed exemplary behaviour and effort during their KS2 SATs examinations. The children made both their parents and teachers very proud. No matter what the results, we know that they have done their very best.

This week we had a very special visit from Bishop John Sherrington for the Crowning of Mary liturgy. Bishop John is responsible for the pastoral care of deaneries and parishes of North London. He doesn't visit schools very often so we were extremely lucky to have had him visit our school! The visit was organised by Mrs Murphy and her Chaplaincy team who did a fantastic job in showing off our wonderful school and pupils- well done! Thank you to Bishop John and all of our families for joining us.

We have an exciting invitation to all of our parents to come and join your child's class for lunch! To book on, please see details further on in this newsletter.

Enjoy your half term break and we will see you all on Monday 3rd June!

Warm regards,

Mrs Reynolds

Half-term home learning project

Exciting news!

This half term project is for you to create a picture or a 3D model of a rose or lily flower which are the symbols of Mary.

The flowers can be made in any style (drawing, painting, mosaic, collage, etc.) but if you are drawing they must be done on an A4 paper.

Show your creativity and ambition! Deadline is Friday the 14th of June to your child's class teacher.

Congratulations!

Well done to our Year 6 children who put so much effort into their KS2 SATs exams last week!

This week at SMP...

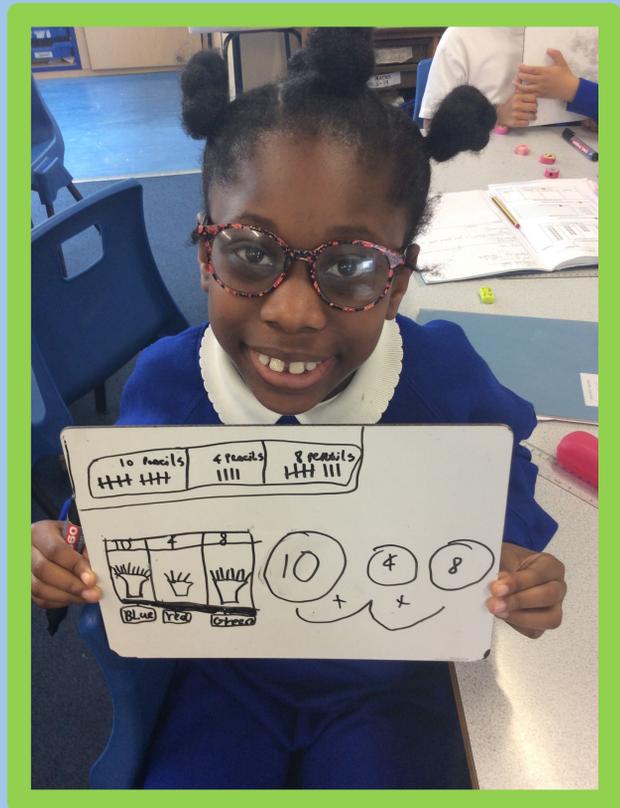

Our Year 6s were joined by a former pupil who is now in Year 12. She talked the group through moving into secondary school and gave them really helpful tips and tricks. We are always so proud of our former pupils.

Reception role played the Pentecost. They made flame headbands and created a storm with musical instruments, then greeted each other using different languages.

3M have enjoyed learning lots about data and statistics this week! 😊 📊 📈 🖍️

Robin class did a superb job mapping out our playground for their fieldwork activity! We can now identify north, south, east and west in our playground and classroom! 🧭

Hail Mary

Hail Mary,
Full of Grace,
The Lord is with thee.
Blessed art thou among
women, and blessed is the
fruit of thy womb, Jesus.

Holy Mary,
Mother of God,
pray for us sinners
now, and at the
hour of our death.

Amen.
