School Newsletter

'Where great lives begin!'

16th May 2025

Dear Parents and Carers,

We would like to say a massive WELL DONE to our Year 6 pupils who took part in the KS2 SATs tests this week. The children (and staff!) have been working tirelessly towards the tests for the year and their hard work definitely paid off. The children showed a huge amount of resilience throughout the week and we are so very proud of them. Thank you to the parents and staff for their extra support during this period!

The school enjoyed not one, not two, but THREE class assemblies this week! The wonderful 4D, 3W and 4G dazzled us with their performances. We were particularly impressed with how clearly and confidently they all spoke in front of a large audience. Thank you to the staff who created the assemblies- it doesn't happen by accident- well done all!

We are getting close to the end of this half term, which means we are going to begin our transition into the new school year shortly. There will be lots of activities planned for the pupils in the second summer term which will include: visiting new playgrounds and classrooms, meeting their new teachers, social stories, one page profiles, transition booklets, and lots more! Our aim is to do as much preparation beforehand as possible. And of course, parents will get to meet the new teachers in the September 'Meet the Teacher' event which is held each year in their new classrooms.

Have a lovely weekend,

Ms Reynolds
Deputy Headteacher

6J	Whole Class	

Congratulations to our Stars of the week!
These pupils have worked exceptionally hard to stand out amongst their peers. Well done everyone!

School competition!

Dear Parents and Carers,

As Walk to School Week approaches (May 19–23), we invite all families to join in a creative and fun celebration of the school run! This year, we're launching a Walk to School Poster Competition to highlight the joys and discoveries of walking, cycling, or scooting to school.

Why Participate?

Exploring our local area on foot or wheels isn't just healthy—it's an adventure! You might spot hidden green spaces or discover charming alleyways and peaceful parks along the way. These journeys can also help children build confidence, meet new people, and connect with nature. Plus, walking and cycling reduce pollution, improve mood, and boost concentration in class.

How to Get Involved:

Create a Poster: Design a poster that captures your journey to school—show the wildlife you've seen, the secret paths you've discovered, or the fun you've had along the way.

Whether it's a walk, cycle, or scoot, every journey is an opportunity to explore, connect, and have fun. Let's inspire each other to make our school runs more active, creative, and joyful.

Let's Make Every Step Count!

We can't wait to see your wonderful creations!

100 K IN MAY

with
HORIZONS 

Mrs Ronan has committed to covering 100km in May!

Along with other Haringey Headteachers, she is clocking up the kilometers to raise money for Horizons charity. Horizons exists to ensure every child and young person in Haringey has the opportunity to access extra-curricular activities across art, music, sport and academic support. Opportunities to take part in these activities is affected by several factors, including socioeconomic, gender, ethnicity, school attended and geographic location.

Our school wins grants from Horizons across the year to make these opportunities accessible to more of our children.

If you can, please sponsor Mrs Ronan via this link, and help keep her motivated in May - she's already at 65km!

[JustGiving](#)

Congratulations to these children who are the first in the WHOLE (!) school to reach 25 'golden tickets' and so got to have a 'golden' lunch with the Headteacher, Mrs Ronan! The children earn golden tickets for showing exemplary behaviour. Well done everyone!

Congratulations!

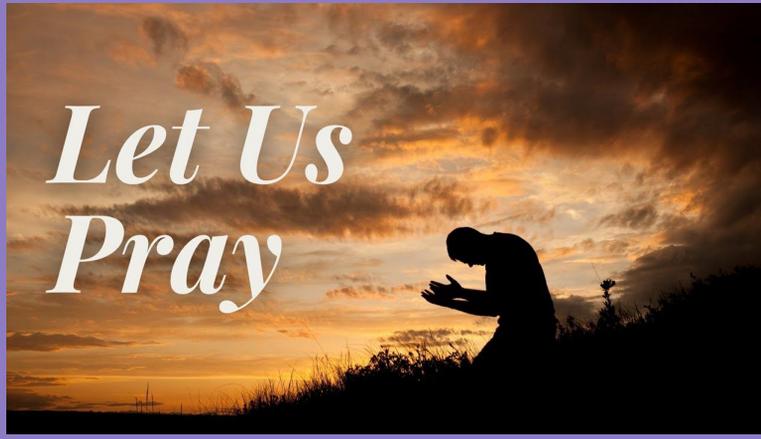

4D, 3W and 4G held class assemblies this week. We were all very impressed by all of the learning that they shared with us, their poetry and singing, and how wonderfully they performed! We were very proud of you all!

Did you know, each half term, our children learn a different instrument in music? This term they are learning how to play melodies on the keyboard- our children are very skilled-musicians indeed!

A prayer for peace in the Middle East

Christ, Prince of Peace,
hear our prayer and lament,
for our suffering sisters and brothers.

Our hearts are heavy as we witness lives torn apart,
as we see the faces of frightened children
and hear the pleas of those without water or food.

We pray for the dead and the grieving,
for the injured and the afraid.

We pray for courage and perseverance,
for those working for healing and to bring aid.

We pray for world leaders,
that they may strive for a just and lasting peace.

God of new beginnings,
in your ways are compassion and hope.

Open our hearts to dialogue and understanding.

Lead us all to answer your call
to become peacemakers
today, and all the days of our life.

Amen.
