

How to use Google Classroom!

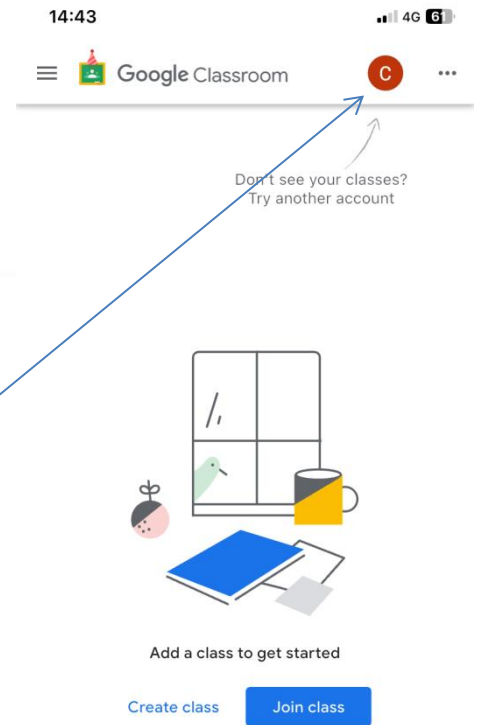

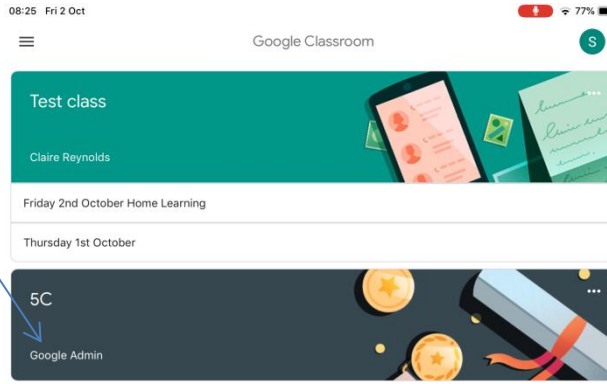

1. Download 'Google Classroom' app on your iPad/tablet (if you have a laptop google 'Google classroom' and follow link.

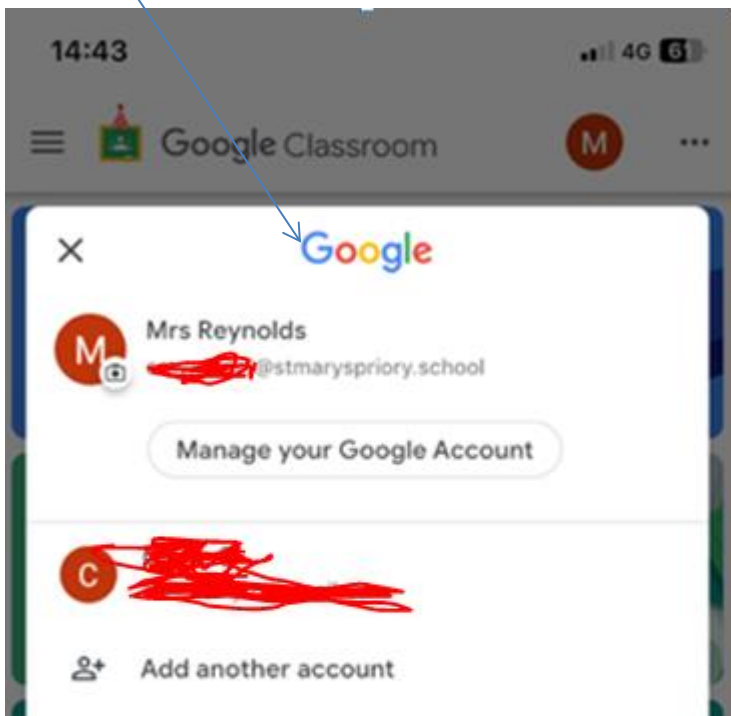

2. Open 'Google Classroom' app and log in using child's login details. FYI the email addresses all end in @stmaryspriory.school and **are not** your personal emails.

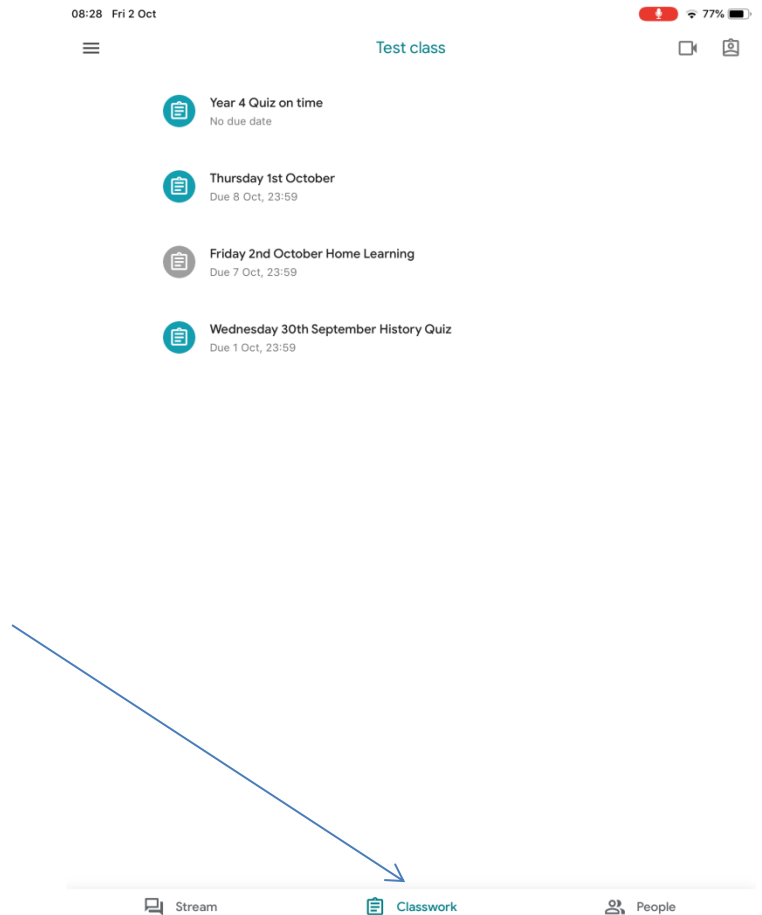

3. Join your class and click on it to open classroom.

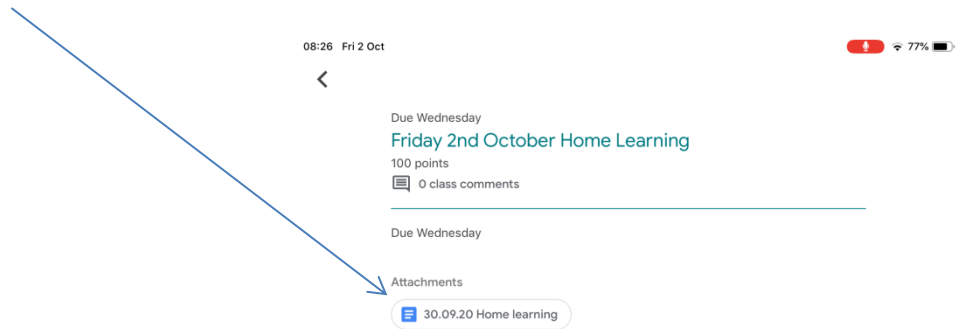

NB: You should not see 'join class'. If this appears for you, you need to click into your initial at the top right hand corner and 'add account' or change account.

4. Click 'classwork' at the bottom and click on the homework you wish to open.

5. Click on the attachment to see the homework

6. This document will contain the instructions of what homework the teachers have set and where to do their homework (eg. In their purple homework books, or on mymaths etc)

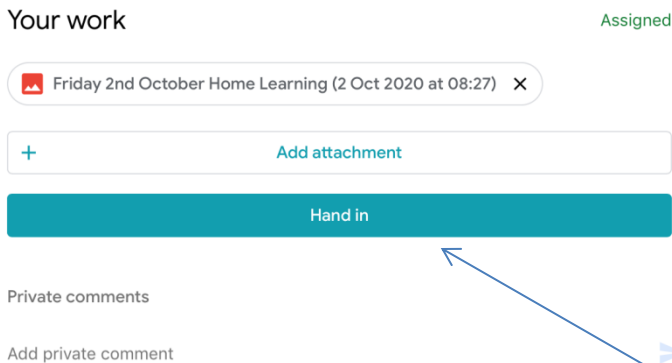

7. To hand in the homework to the teachers virtually, take a photograph of your child's work. Then click 'add attachments' at the bottom. NB: most homework is completed in the purple homework books.

8. Select the 'pick photo' option or 'use camera'. Choose the photo that you want to hand in. If this option does not come up, click 'files' then 'browse' then 'take photo'

27 Fri 2 Oct

9. When you are happy with the photo you have chosen, click 'hand in' to submit your homework to your teacher.
