Infant School Admissions Policy for 2027-2028

Admissions Policy for 2027-2028

The Federation of St Mary's Priory Catholic Infant and Junior Schools was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and instrument of government., and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with these admission arrangements.

The governing body is the admission authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round.

INFANT SCHOOL

The admission authority has set the school's Published Admissions Number ("PAN") at St Mary's Priory Infant school at 30 pupils to be admitted to the Reception year in the school year, which begins in September, 2027.

The admission authority will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's PAN.

Pupils with an Education, Health and Care Plan (see note 1)

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Catholic 'looked after' children and previously 'looked after' children. (see notes 2 & 3)
2. Catholic children who have a sibling at the St Mary's Priory Infant school or St Mary's Priory Catholic Junior school at the time of admission. (see note 3)
3. Other baptised Catholic children. (see note 3)
4. Other 'looked after' children and previously 'looked after' children. (see note 2)
5. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
6. Non-Catholic children who have a sibling at the school at the time of admission.
7. Children of other Christian denominations whose membership is evidenced by a minister of religion. (see note 6)
8. Children of other faiths whose membership is evidenced by a religious leader. (see note 7)
9. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

- I. Where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child, which can most appropriately be met at this school, the application will be placed at the top of the category in which the application is made. (see note 10)
- II. The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above (see note 8).

TIE BREAKS

Priority will be given to children living closest to the school determined by the shortest distance. Distances are calculated by the Local Authority, whose process is:

Children living closest to the school measured in a straight line from the ordnance survey address point for the child's home, to the ordnance survey address point of the school..

If two or more applications are received from the same block of flats, the applicant with the lower door number will be classed as the nearest and offered a place because they are likely to be closer to the ground floor and, therefore, the school. In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out by the local authority's computerised allocation system.

Application Procedures and Timetable for 2027 – 2028

To apply for a place at this school, you **must** complete an online Common Application Form (CAF) available from the local authority in which you live. You are also requested to complete the Supplementary Information Form (SIF) attached to this policy if you wish to apply under oversubscription criteria 1 to 3 or 5,7 or 8. Whilst this is not compulsory, the information on the SIF enables the admissions authority to assess your application fully against the School's criteria in the event of oversubscription. Please return the SIF in person to the Admission Officer at the school located in Hermitage Road, London N15 5RE, together with all other relevant paperwork required for your application.

You will be advised of the outcome of your application on **16th April** or the next working day, by the local authority on our behalf. This information will also be available online for those who have submitted an online application. Parents should accept or decline the place as soon as possible. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above and you have the right of appeal to an independent appeal panel.

Should you wish to appeal please contact the school as soon as possible for an appeal form on which you must list your reasons for making an appeal. Appeals should be submitted to the school in writing by **Friday, 16th May 2027**. All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is **17th January 2027**.

If you do not provide the information required in the SIF and return it by the closing date (17th January, 2027) together with all supporting documentation, your child may not be placed in criteria 1 to 3 or 5, 7 or 8, and this may affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 17th January 2027.

Late Applications

Applications received after the closing date will be dealt with after the initial allocation process has been completed. If the school is oversubscribed it is very unlikely that late applicants will obtain a place. **You are encouraged to ensure that your application is received on time.**

Admission of Children Below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their 4th birthday. A child's parents may defer the date up until compulsory school age, ie the first day of term following the child's 5th birthday. Application is made in the usual way and then the deferral until January or April is requested. The place will then be held until the first

day of the spring or summer term as applicable. Entry may not be deferred beyond compulsory school age or beyond the year for which the application has been made. Therefore, applicants whose children have birthdays in the summer term may only defer until 1st April 2028. Upon receipt of the offer of a place, a parent should notify the school as soon as possible if they wish to defer their child's entry until the spring or summer term

Parents must have received the agreement of the admissions authority before any admission application for delayed entry is made. If permission is received then the parents will make their admission application for the year in which they wish their child to start school. The granting of such permission does not guarantee that a place will be offered. **Applications cannot be held over from one academic year to the next.** If permission is refused then parents must make their admission application at the normal time.

Part-time attendance

Applicants may also request that their child attend part-time until compulsory school age is reached. Upon receipt of the offer of a place a parent should notify the school as soon as possible if they wish to take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child, i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to Reception rather than Year 1.

Any such request should be made in writing to the Chair of Governors at the same time as the admission application is made. The admission authority will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the head teacher, including the head teacher's statutory responsibility for the internal organisation, management and control of the school, the admission authority will take into account the views of the parents and of appropriate medical and education professionals, as appropriate.

Waiting Lists

In addition to their right of appeal, unsuccessful children will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and **not** in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until 31st July 2028.

Inclusion in the school's waiting list does not mean that a place will eventually become available.

In-Year Applications

An application can be made for a place for a child at any time outside the normal admission round and the child will be admitted where there are available places. Application should be made to the school by contacting the school office on the main telephone number – 020 8800 9305.

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

The local authority will be informed of the offer as soon as it has been accepted.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the admission authority is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol that has been agreed by both the local authority and the admissions authority for the current school year. The admission authority has this power, even when admitting the child would mean exceeding the PAN (subject to the infant class size exceptions)

Change of Details

If any of the details on either of your forms changes between the date of application and the receipt of the letter of offer or refusal, you must inform the School and the local authority immediately. If misleading information is given or allowed to remain on either of your forms, the admissions authority reserves the right to withdraw the offer of a place or, where a child is already attending the school the place itself, where it is satisfied that the offer or place was obtained by deception.

Notes (these notes form part of the oversubscription criteria)

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making an application to the school.

A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order. Included in this definition are those children who appear (to the admission authority) to have been in state care outside of England and who ceased to be in state care as a result of being adopted.

3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child living with a family where at least one of the parents is Catholic.

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

4. 'catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
5. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
6. "children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is His body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

7. "children of other faiths" means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:
 - A religion which involves belief in more than one God, and
 - A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

8. 'brother or sister' includes:
 - (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
 - (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.
9. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.
10. To demonstrate an exceptional social, medical or pastoral need of the child, which can be most appropriately met at this school, the admission authority will require compelling written evidence from an appropriate professional, such as a social worker, doctor or priest.
11. A child's "home address" refers to the address where the child usually lives with a parent or carer, and will be the address provided in the Common Application Form ("CAF"). Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the CAF, provided that the child resides at that address for any part of the school week.
